

SR 520 eastbound HOV lane extension

■ New eastbound HOV lane configuration after Oct. 13-16 closure

■ Existing eastbound HOV lane

The change:

- The eastbound HOV lane will begin about a mile closer to Montlake than it currently does.

The changes still to come:

- At the beginning of the next phase of construction, in late 2018, crews will shift both eastbound and westbound traffic onto the new West Approach Bridge North.
